ACADEMIC DECATHALON

Team Members: Back row: (L to R) Steve Dufferin, Scott Heisler, Cathy Mowbray, Ben Leach, Randy Purtell 2nd row: Kirk Olson, David Blom, Karen Glasser, Rich Shay Front row: Sean Day

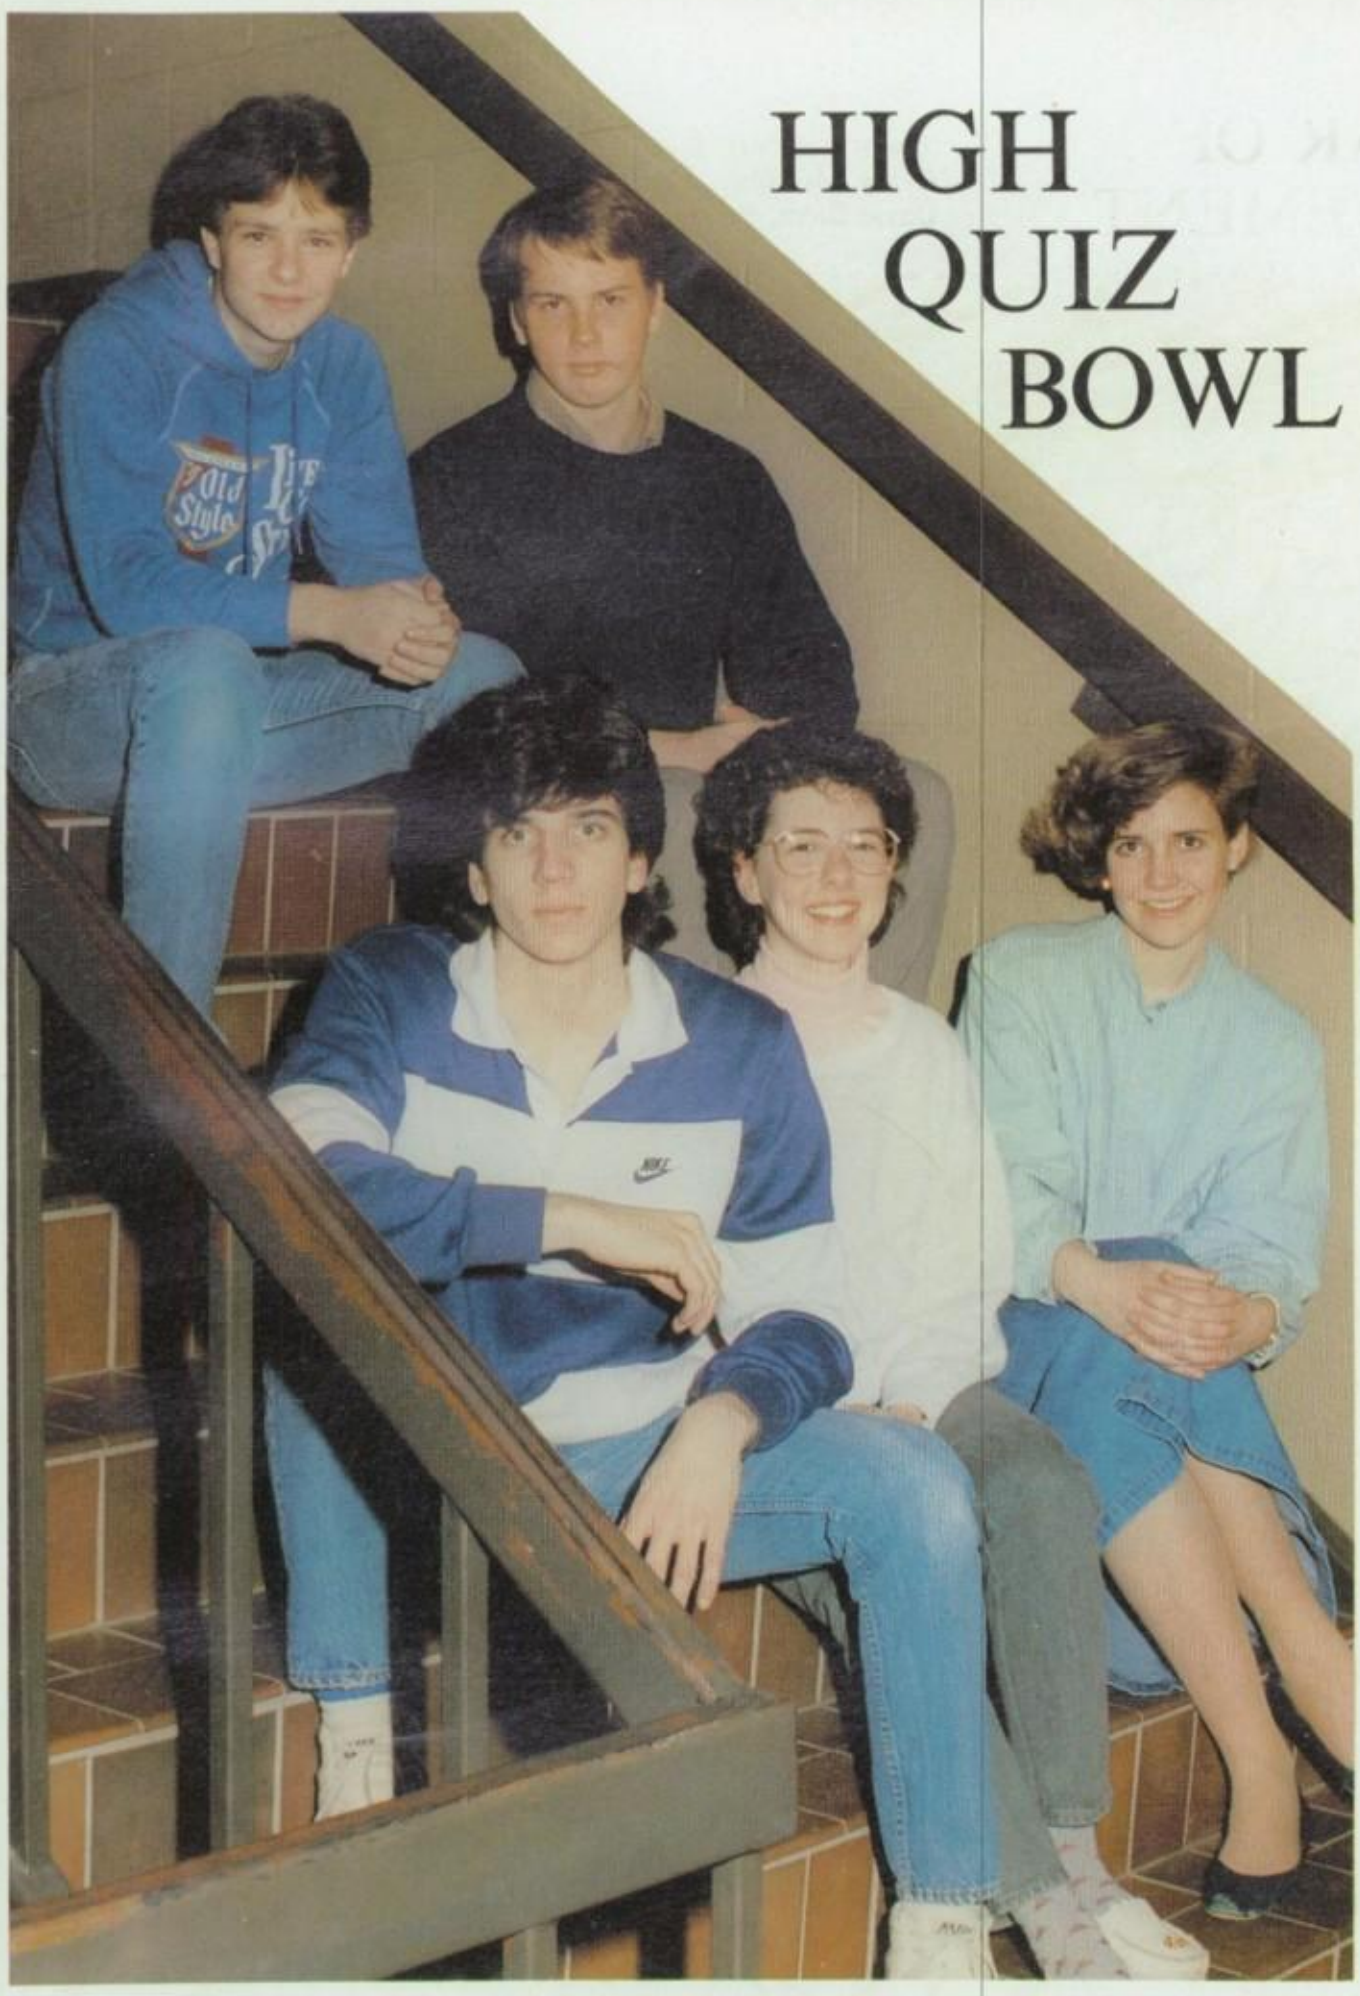
Logan High School swept intellectual honors and was one of nine schools picked for Academic Decathalon competition in Madison in March.

Students took written tests in six academic areas, wrote an essay, responded to questions in an interview and gave a speech.

Logan topped the nine school field in five of nine decathalon events, including written tests in history, fine arts and English. The students also won first place in essay writing and interviews, and finished second in speech. Karen Glasser won first place among all students in the contest.

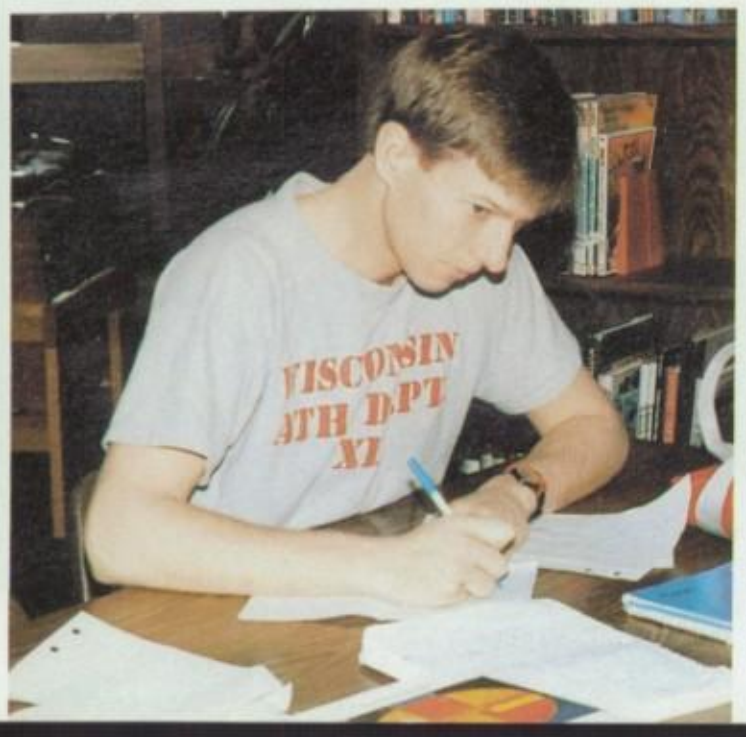
Diane Gebhart coached the Ranger unit.

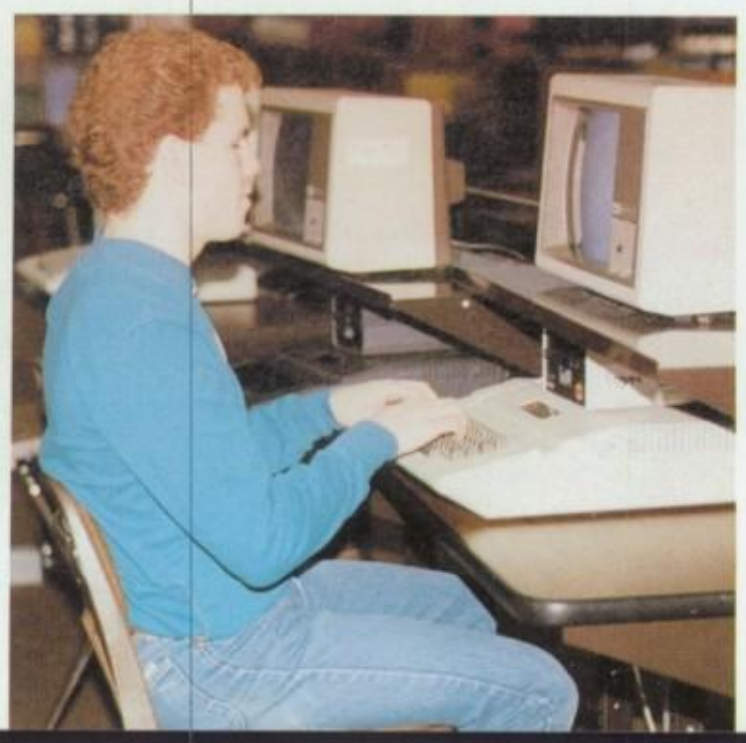
HIGH QUIZ BOWL



High Quiz Bowl is a competition in which students answer questions for points. Viterbo College sponsors this activity for high schools in the area. Students who want to be involved practice for several sessions and then four students and an alternate are chosen to represent Logan. Once the selection is made the team uses a variety of electronic aids such as the Quizztron and the Knowledge Master Computer to practice answering questions quickly on a variety of topics. Special materials are ordered from encyclopedia and reference book companies and their coach Miss D. Gebhart writes many questions.

This year the team competed with Cashton and won. Then they lost against Rochester-Lourdes. The team consisted of: Steve Dufferin, Ben Leach, Kirk Olson, Cathy Mowbray and alternate Cindy Bernstein. The Team; Top row: Steve Dufferin, Ben Leach Bottom row: Kirk Olson, Cindy Bernstein, Cathy Mowbray





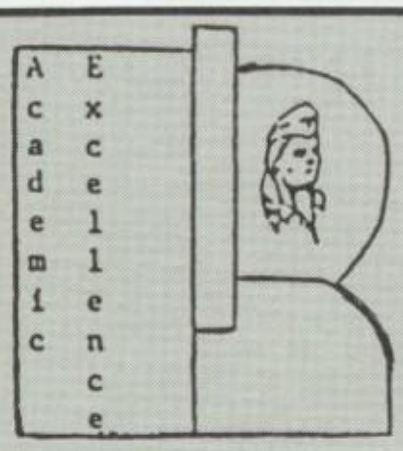
WHAT'S NEW

Accelerated classes are advanced courses in core subjects that give weighted grades. Erik Groothius and Joel Blackmore are two students in these classes.

THE YEAR OF . . .

BEGINNINGS

EXCELLENCE



This year our teachers were wearing a lapel pin with the words "Academic Excellence" inscribed on them. In order to recognize academic achievement by our students, the Logan faculty will award one of these pins to any student who attains a grade point average of 3.5 or above for the 1986-87 school year. Of all the many things taking place in a school, striving for academic achievement is the most important.

HOMECOMING 86

A series of events were held during Homecoming week. The week started with the Powder Puff football game which ended with a tie score, 18-18. The special dress days included: dress-up day, Hillbilly day, inside out day, and something new, red, white and blue day. Friday the homecoming queen Sherry Keenan and the King Reggie Bicha were announced at the pep assembly. Special guests were 1986 Festmaster Harry Wiggert and 1986 Miss La-Crosse-Oktoberfest Annette Huppert. There was pre-game excitement with a homecoming parade with class floats, homecoming court, the band and cheerleaders. Later that day the varsity football game was held. The Rangers were defeated by the Menominee Indians. The evening ended with the dance crowded with returning seniors, parents and students. Yearbooks were handed out and the Rangers had a great time.

THE PLAY

The Fantastiks opened on August 3rd, 1959 in the Sullivan Street Theatre on Bleeker Street in New York and is still playing professionally in that theatre. This 27 year run makes it the longest running musical in theatre history. The popularity of this show caused a revolution in musical theatre. It firmly established the success of smaller more intimate shows and placed the empasis on beautiful words and beautiful music.

JUNIORS

"88"

The Junior Class is definitely the class that gets along with each other the best. I'm sure that if all the juniors were put into one big room, they would all have fun together. I'm sure that one of the best nights of my life will be next year's all night graduation party. What the juniors seem to have is respect for individual differences rather than judgments. Because of our ability to get along, I am proud to be a member of the class of 1988.

THE YEAR OF RANGER EXCELLENCE IN ACADEMICS

1986-87 proved to be a year of excitement in Ranger classes. Many special events occurred to bring all aspects of the world into the classrooms. Students were involved in community projects, school programs, academic contests and world exchanges that broadened their educational frontiers. Their successes will generate a continuing pride in themselves and their school.

The yearbook is able to show only a part of what's happening in academia at Logan and will continue to document what makes a Ranger education a great education.

1. Congratulations to the Academic Decathalon winners. Here they are celebrating their victories at a recognition dinner at state competition. 2. Top 5% in academic achievement of the class of '87. UNSERE FREUNDE

On August 8, 1986 ten young people from Bonn, West Germany, arrived in La Crosse to spend three weeks with Logan German students and their families. The German young people are all members of *Jugendcolloquium* in Bonn, a youth center which sponsors exchanges with groups from other countries.

During their stay the young people and their Logan hosts took a three day trip to Chicago, went camping at Governor Dodge State Park, visited House on the Rock, the Wisconsin Dells Indian Cerermonial and Circus World. They were also shown the sights of La Crosse including Grandad Bluff, the brewery and the archaelogical dig in Sand Lake Coulee.

The German young people attended school at Logan with their hosts for the first week before their return to Bonn. In July of 1987 the Logan hosts will go to Bonn to return the visit. See next year's *Winneshiek* for *Aufenthalt* in Bonn.

Olivier DeDouche and Karine Le Roy from Epinal, France spent 3 weeks in April as a part of a La Crosse-Epinal student exchange involving 18 French students and 2 teachers. Karine stayed with Cindy Bernstein and Sarah Deckert's families and Olivier with Jay Lown's family. Cindy and Sarah will be paying a return visit in June along with their teacher, Mrs. Jostad. This was the beginning of what is hoped will be a series of future relationships between the two cities as they have signed a mutual twinning agreement to encourage future cultural exchanges of all kinds, not just students.

The students and their teachers were given an official welcome to the city at Heileman Hall by the mayor and other city officials. Besides attending school the French students and their hosts visited Prairie cu Chien and the Villa Louis, the Effigy Indian Mounds, a tour of the La Crosse area including the buffalo ranch on Brices Prairie where they tasted real buffalo burgers. They also toured the Trane plant as Trane Company was an enthusiastic supporter of the exchange. There is also a Trane plant in Epinal. Several other area businesses also helped with expenses and preparations. The French students were surprised at the amount of French influence in the area.

VOLLEYBALL

Logan Ranger Volleyball struggled through a tough season. Their record, 1-10, doesn't show how good the girls played in most of their games. The girls had to get used to a new coach and a different system. The Rangers may not have had a winning season, but they never gave up trying in practice or games. This success showed itself in their fine regional finish.

Our season highlight came at our regional meet. After coming off a 1-10 season, we beat Sparta to put us in the championship game against Central. We played our best match against Central. Central won the first game. We won the second, and we came close to upsetting them for the regional title.

The team record does not show all the effort put in by all the girls. It was a tough year due to low numbers. Many girls swam events they never knew that they could! It was a good thing that we had the "Big Three", Mathy, Sofa, and Wilson.

Amy got everyone organized before all races; Kristy cheered them on and Deb consoled or congratulated after each race. They will be missed

This year's tennis team compiled a dual record of 3-6 and an overall record of 9-9. The team this year was led by some excellent play on the part of our #2 doubles team made up of Dan Litzow and Pete Taylor and some steady play at #2 singles (Al Kjos) and #3 singles (Greg Shepard). Though the team graduates its #1 and #2 singles players we are looking forward to a strong and steady play by the underclassmen next year.

FALL POM-PONS

WINTER POM PONS

The Logan Ranger Pom Pon Squad is composed of up to 18 active, energetic members. The girls provide entertainment at school pep assemblies as well as half-time shows at varsity sports events. They choreograph original routines and perform to either taped or live (band) music. Since the routines are created by the girls themselves, and must be practiced to perfection, it is essential for all to work cooperatively in order to achieve a polished performance.

"Being a cheerleader isn't as easy as it looks. For tryouts you have to: learn floor cheers, chants, make up chants, know jumps, (Herkey, lift, double punch and jump of choice) do cartwheels and other stunts like splits, or roundoffs. You need to know the school song "Onward Logan". Representing the school is a big responsibility. You have to be cheerful and be able to cooperate. Cheerleaders need to create a lot of spirit in the team and the crowd."

Ingrid Paulson

CONCERT

MEMBERS OF THE BAND IN GREAT BRITAIN

This summer 29 members of the Logan Band participated in a unique cultural and musical exchange experience with the Lancashire County Youth Band, based in Burnley, Great Britain. From June 30-July 5, a total of 68 La Crosse and area high school students performed for school and public audiences in Northern and Central England. For five days they were guests in homes of the British band members, where our students received a real "taste" of British life and culture.

Our students visited Stratford-on-Avon, Oxford University, Windsor Castle, The Tower of London, The Dover and Kent area, in addition to seeing a Shakespeare play and attending a Medieval Banquet.

To complete the educational experience, the Lancashire Band visited La Crosse from July 31-August 4, stayed in our homes and performed and toured in the La Crosse area. Mr. Bina and Mr. Alex Vaver, Band Director at Central High School, spent over a year planning and coordinating this project.

WINNESHIEK STAFF

Winneshiek Staff: Back row: Rachel Hemker, Eric Bartz, Derek Buschmann 2nd row: Sherry Keenan, Stacy Jungen, Jillene Pickett, Tammy Mueller, Carol Miller, Sara Merrell, Wendi Bottcher, Heidi Rohrer Kneeling: Shanen Hurley, Mia Stram, Marc Mickschl (not pictured) Michelle Hauser, Ingrid Paulson, Cindy Soller, Carol Miller, Michelle Betsinger, Angi Dobbs, Tammy Phillips.

The yearbook staff is composed of students in the yearbook class and others interested in yearbook production. Our primary responsibility is to create a history of the year's activities in pictures, stories, and statistics. We truly do try to capture what happened in 1986-87 at Logan Senior High.

Drawing layouts, typing copy, checking and double checking pictures, indexing, selling yearbooks, talking to patrons, the jobs are endless. The staff is busy all year. The students learn a whole new language filled with 3 C's, overburning copy, bleeding pictures and rip n'ship days. This year Sherry Keenan tried some new ideas in the senior section and also designed the cover. Mrs. Jostad is the advisor.

We want to take this opportunity to thank the staff, the professional photographers, especially Ellickson's, and our loyal patrons. A special thanks to Diane Gebhart for her endless hours attending and photographing school events and longer hours in the dark room.

We hope our readers will look back often with fond memories on the year 1986-1987 in their Winneshiek.

Pep Club had a very successful school year. Kicking off in the fall they sponsored Homecoming. This included a spirit week with special days like: Sweats Day, Hawaiian Day, and of course the traditional Red and White Day. There was also a homecoming court made up of nine girls and their escorts who played a convincing powder puff football game the Thursday before the dance. Friday, October third a pep assembly was held to crown the king and queen who reigned over the dance and parade that evening.

The Pep Club has approximately seventy members made up of all cheerleaders and pompon girls. We have an excellent group advisor, Miss Streff, who helped Pep Club for the first time this year. Amy Anderson, a senior, was a very involved and helpful vice president and Kristin Day, a junior, our secretary of treasury, was also ready to help with any activities that were planned such as our fundraiser selling Ranger buttons.

Although this year the general spirit of the school wasn't always the best I feel that the girls in Pep Club did an excellent job of making this school year more exciting.

Becky Floyd, Pep Club President.

LOGAN OFFICE COOP

Logan's Office Co-op had another exciting year! Students spent two hours in business classes and were out working in the "real world" in the afternoons. Many valuable experiences were learned at the different work stations.

This year there were several new businesses participating in the Office Co-op program. And, of course, we had our businesses that help us out every year by employing and teaching our future business leaders.

The students that participated in the program and their work stations are as follows (*denotes new work stations for the 1986-1987 school year): Tami Whitewater — LaCrosse Plumbing Supply Co., Kim Mitchell — *Career Choice, Krista Olloff — *Best Business Services, Janet Wuensch — *Tri-State Ambulance Service, Inc., Julie Thompson — Necal Corporation, See Lo — Logan Guidance Office, Kathy Pierce — Logan Athletic Department, Ellen Tabbert — *Christ Is Lord Church, Amy Elliott — *Skipper Bud's of La Crosse, Chris Devine — Youth Initiative Program, Kristi Kjos — Logan Aquatic Department, Michelle Benson — Midwest Security Life Insurance Company, Cheri Goldbeck — University of La Crosse - Personnel Department, and Tracy Lawrence. Logan's Future Business Leaders of America chapter was very active during the 1986-1987 school year. The FBLA chapter was lead by the following officers: Amy Elliott, President; Shelley Miller, Vice President; Tami Whitewater, Secretary; Ellen Tabbert, Treasurer; and Tami Mueller, Reporter. The FBLA membership grew from 18 members last year to almost 39 members this year!

The members participated in several activities this year. The activities include: Halloween visitation at Children's Hospital Ward, Halloween party, Hat and Mitten Drive, Christmas Party, Officer and Member Installation Banquet, Pizza Parties, Nursing Home Visitation, Valentine's Dinner, Field Trip to Cargill Corporation, Mall Display, and more.

In addition to the activities listed above, the members participated in the Regional and State Leadership Conferences. The Regional Conference was held at Cochran-Fountain City. At Regionals students participated in various business competitions. Julie Thompson placed first in Job Interview and Troy Lesky placed second in Word Processing. These students then were allowed to compete at the State Competition. At State Julie placed second in Job Interview — falling just shy of first place. All of the students participating in the conferences found them to be very enjoyable and educational.

President

Deca's high school division is the only national student organization through the nation's schools to attract students to careers in marketing, merchandising and management. The purpose of DECA is: (1) to further develop education in marketing and distribution which will contribute to occupational competence and (2) to promote understanding and appreciation for the responsibilities and citizenship in our free, competitive enterprise system.

Activities in which they participated are various fund raisers for Leadership Lab at Telemark, Cablė, Wisconsin, Central Regions, Minn., District Competition at UW-Stout, State Competition at Olympia Village and National Competition held in New Orleans, Louisiana in April. This year the prom, which DECA sponsors, was held at the Holiday Inn.

The following students qualified for the State DECA meet: Cindy Knutson, Beth Flottmeier, Chris Nichols, Julie Thompson, Amanda Ames, Debra Purtell, Karen Johnson, Jodi Pierce, Vicki Bott, Nicole Gaeth, Sara Abraham, Paula Alexander, Jody Range, Lori Verthein, Laura Oestreicher.

Bo Lindeborg earned District awards in Tourism. Lori Verthein qualified for state competition and then went to national competition in New Orleans in Advertising Event Program Area. Laura Oestreicher went to a Screening Lab in Madison and was nominated as candidate for State Deca President.

HOME ECONOMICS AND RELATED OCCUPATIONS

HERO has been busy with simulated Food Service activities such as: the bakery, restaurants, ice cream shop and serving for the SADD conference.

Highlights for members have been the Leadership Conference in Tomah, Regional competition at UW Stout and the State Leadership Conference at Green Bay.

Deb Konzen was selected as HERO member of the year.

Officers were: President Annie Sutherland, Vice President Stacy Schaller, Secretary Linda Mattie, Treasurer Donna Boswell.

SUCCESS REQUIRES CAREFUL PLANNING

1. Reading directions and calculating amounts needed for large groups. 2. Cory Gaeth studies preparation techniques. 3. Preparing grocery lists. 4. Mrs. Emerson carefully checks student lists. 5. Ann Sutherland stirs a special sauce.

Eight students participated in this year's Forensic Team. Although the number was small, the group was talented. Forensics consists of twelve different contest areas. A student may participate in speaking or interpretation. Besides participating in invitationals, students compete at subdistrict, district and state levels. A student must achieve a certain score to advance through each level.

The members of this year's team and the events were: Tim Wirkus and Jesse Buchner, demonstration speaking; Margaret Wadium, poetry reading; Kam-Lin Kaio and Sherry Keenan, play acting; Kristi Poellinger, four minute, and Cathy Mowbray and Tiina Morin, solo acting.

Tim, Tiina, Cathy and Kristi advanced to the state level. Tim earned a bronze medal, Kristi, a silver medal, and Cathy and Tiina won gold medals, achieving the highest awards possible, Critic's Choice Awards. Vicki Hentges is the coach of Forensics.

Front row: Shelly Wery, Margaret Wadium, Kristi Wilson, Mark Rugotzke, Mr. Thienes, Deb Mathy, Heidi Rohrer, Perry Jeranek.

The Letterman's Club, a service organization composed of athletic letter winners, is run by students to make money which helps support various extra-curricular activities. All athletic winners involved volunteer their services to help run the concession stand during the athletic season. The profits from the stand go to extra-curricular activities which seek extra monetary support. This year's club paid for the team pictures and frames displayed in the physical education hallway. Also the letterwinner's club donated money to the show choir as well as paying all expenses for the annual athletic banquet. The officers of the 1986-87 Letterman's Club are Deb Mathy President, Kristy Wilson Vice President, Karla Paisley Secretary, and Carrie Seib Treasurer. Besdies being involved in making the decisions on how to spend money, these officers were also responsible for ordering supplies, handling all financial affairs and organizing a work assignment schedule. Mr. Thienes, the club's advisor, helped with all final decisions and was generally helpful in keeping things running smoothly. The 86-87 LC Club believes that they had a very successful year as a student organization.

FRENCH CLUB

The French Club was involved in the following activities this year. They learned French games at meetings and had a Christmas party where everyone made their own crepes. A special event was a pizza party with our two French exchange students. A money making project was selling candy bars. The year ended with an international picnic with the other language clubs.

The officers were Cindy Bernstein, President; Mo Thao, Vice President; and Sherri Sanding, Secretary.

S.W.A.T. (Students Working All Together), a peer advising program, was initiated at Logan Senior High during the second semester this year. S.W.A.T. team members from each class were selected on the basis of a written application and an interview. Members received approximately 10 hours of training in communication skills, decision making, suicide prevention and making referrals. S.W.A.T. team members are identified by a S.W.A.T. lapel pin and are available to help students deal with personal concerns on a one to one basis. Each new student enrolling at Logan is matched with a S.W.A.T. team member so he/she has a friend during those difficult first days.

S.W.A.T. team members meet as a group with Pam Foegen, advisor, to discuss how to handle general situations they encounter. The Logan program is modeled in part from a S.W.A.T. program in Plano, Texas.

Hi! My name is Hans Scheepers and I'm from Holland. I came in August '86 to the U. S. and spent the first semester in Bangor. As you can imagine, coming to Logan for the second semester was quite a change. On the first day I had to find my locker, which was unfortunately in the freshmen section but I survived that too. In Holland we don't have any lockers in school; everybody carries his books with him all day in a bag. My sixth hour math class came up. With some difficulty I found the room, but I had more difficulties entering. Some girl was sharpening her pencil and was blocking the entrance. I tried to pass her, but she said, "You're not in this class; this is

The Class Act is in its fifth season with Dan Risgaard as director and Dawn Troyer as choreographer. It is composed of 40 singers/dancers and accompanied by seven instrumentalists and four stage crew members. They have been Grand Champions of the WI Dells Mid-West Swing Choir Festival, the UW-La-Crosse Winterfest Show Choir Competition, and the Sauk Prairie 1985 Executive Session Show Choir Competition.

They have also participated in the Johnny Mann Great American Choral Carnival in DePere and last year were one of 16 choirs invited to participate in the prestigious Bishop Leurs Swing Choir Festival in Fort Wayne, Indiana. In February of 1987 the Class Act hosted their own first invitational competition, won by the Buffal Grove "Expressions."

This past fall the group performed a 30 minute show for the WI State Music Association Convention in Madison. The Class Act has received consecutive 1st place ratings at both the District and State contests at the WI School Music Association.

NEVER SAY GOODBYE

Logan's 1987 Prom was held at the Holiday Inn in the Holiday room, on May 8th, from 8:00-11:00 p.m. The theme song was "Never Say Goodbye".

Decorations were done by DECA. They also provided beverages for the dance. This year prom colors were pink, blue, and silver. Thanks again to DECA and Mr. Teal.

Congratulations

OUR PATRONS

The 1986-1987 Winneshiek staff would like to express our appreciation to those businesses in the La Crosse area who helped make the yearbook possible by supporting the Winnishiek. They have helped to reduce the cost to the students. We recommend that our students support these businesses to show that you did notice and care.

Our patrons have shown their concern for education and the young people of today.
